

Welcome Back Travell!

Classrooms are peanut and tree nut free. Please send in a healthy snack that does not contain these food items. Avoid candy, baked goods, trail mix, nut crackers and any other food containing nuts. Some snacks could include baby carrots, yogurt, celery sticks, rice cakes or pretzels, fruit cups, bananas, fruit snacks, kettle corn/popcorn and apple slices. Using a dedicated "snack bag" is a great way to make sure your child knows which food is meant for snack time. Any questions please contact the health office. Let's have the greatest year yet!
