RIDGEWOOD
PUBLIC SCHOOLS

Ridgewood Board of Education

Ridgewood, NJ 07450

Dear Ridgewood Community,

The Ridgewood Board of Education is excited to welcome Mark Schwarz as Ridgewood Public Schools' next Superintendent. Mr. Schwarz will assume his leadership role with Ridgewood beginning July 1, 2023 or as soon as possible thereafter, bringing a wealth of experience and leadership qualities developed over his 20 years in K-12 public education.

Mr. Schwarz comes to us from Madison Public Schools where he has served as Superintendent of Schools since 2017. Under his leadership, the district introduced a variety of program enhancements for students, including blended learning practices, a new Government and Leadership Academy, dual enrollment opportunities with local universities, expanded AP and STEM course offerings, increased in-district placement opportunities for IEP students, and the development of a multi-tiered system of supports. These efforts resulted in improved outcomes in student achievement, increased acceptances to selective colleges and universities, positive recognition by ranking and rating systems, and a United States Education Department Blue Ribbon Award for Torey J. Sabatini Elementary School.

Mr. Schwarz's prior experience includes five years with Rockaway Borough School District, where he served as vice principal, middle school principal, and superintendent of schools. During his tenure in Rockaway, Thomas Jefferson Middle School was recognized by the New Jersey Department of Education for "substantially closing the achievement gap." Before Rockaway, Mr. Schwarz served the Jefferson Township Public Schools for nine years as a high school teacher; the K-12 supervisor of social studies, visual art, and technology; and the founding head coach of the district's volleyball programs.

We are thrilled to have Mr. Schwarz joining the Ridgewood Public Schools team and look forward to working with him to continue Ridgewood's legacy of academic excellence. His leadership and guidance will help us to further advance Ridgewood Public Schools while finding ways to improve the learning and support services that we provide to our students and our community.

Thank you to everyone who contributed to our extensive search process by taking part in the focus groups and completing the online survey. The feedback collected was instrumental in developing a strong candidate profile to meet the needs of our district and guide the process.

Yours in Education,

Michael W. Lembo

Travell School
welcomes
Award Winning Author
Audrey Vernick

April 28, 2023

We are excited to announce that Audrey Vernick will visit with all students at Travell School on Friday, April 28th. She will discuss her books and the process of writing for children in a variety of forms, from picture books to nonfiction to chapter books.

One of Ms. Vernick's favorite parts of being a writer is sharing her books and stories with readers and aspiring writers of all ages. She enjoys visiting schools and shining a light on the dark mysteries of writing and publishing. Because her books include both fiction and nonfiction, she is able to address a wide range of topics that naturally align with many Common Core standards. She employs a variety of high-energy interactive techniques and speaks about her own experiences, with a focus on where authors find their stories and where students might find their own.

Author visits are a wonderful opportunity for young readers, writers, and artists to meet the creators of the books they read. Consider extending this learning experience through the purchase of a personalized or autographed book. (A percentage of the sales will benefit our school!)

This visit is made possible due to the generous support of the Travell HSA...many thanks!!

Book Orders are due Friday, March 31st

Scarlet's Tale Hardcover (K-3) \$18 When Scarlet was born, her parents did the usual counting. Two eyes. One nose. Ten fingers. Ten toes. Also: one long, fluffy, fuzzy, furry tail. That was a surprise! Celebrate the power of differences with this funny and heartwarming children's book about a little girl who faces her fears on the first day of school -- and learns to love what makes her unique.

Bob, Not Bob! Hardcover (K-3) \$18 Little Louie is stuck in bed with a bad cold. His nose is clogged, his ears are crackling, and his brain feels full. All he wants is his mom to take care of him, but whenever he calls out for her, his stuffed-up nose makes it sound like he's summoning slobbery dog Bob instead! This silly but sweet picture book will make kids laugh out loud as Louie tries to make himself understood. They won't be able to help joining Louie in crying out, "Bob, not Bob!"

Unlike Other Monsters Hardcover (K-3) \$18 Zander is a monster. Monsters don't have friends. They prefer to scare children and eat their raisin bread alone. Then one day Zander meets a bird, and the unexpected happens. They start to spend time together, and Zander is reminded of how he's unlike other monsters. But does the fact they share secrets and hang out mean this is a fledgling friendship? And what will the other monsters think?

Two Naomis Paperback (Gr 3-5)\$10 Other than their first names, Naomi Marie and Naomi Edith are sure they have nothing in common, and they wouldn't mind keeping it that way. When Naomi Marie's mom and Naomi Edith's dad get serious about dating, each girl tries to cling to the life she knows and loves. Then their parents push them into attending a class together, where they might just have to find a way to work with each other—and maybe even join forces to find new ways to define family.

After the Worst Thing Happens Paperback (Gr 3-5)\$10 Army Morand feels like her life has been blown to bits when the worst thing imaginable happens—her beloved dog dies. It was an accident, but it was also Army's fault. She can't seem to stop hiding from everything and everybody including her best friend JennaLouise. This is a bittersweet story about a girl surprised by the force of a growing need inside her to reach out and lend a hand while trying to escape the swirling sadness of her own sudden loss. In the end, it is about finding love and hope and friendship in very surprising places.

She Loved Baseball: The Effa Manley Story Hardcover (K-3)\$17 Effa always loved baseball. As a young woman, she would go to Yankee Stadium just to see Babe Ruth's mighty swing. But she never dreamed she would someday own a baseball team. Or be the first—and only—woman ever inducted into the Baseball Hall of Fame. From her childhood in Philadelphia to her groundbreaking role as business manager and owner of the Newark Eagles, Effa Manley always fought for what was right. And she always swung for the fences.

The Funniest Man in Baseball: The True Story of Max Patkin Hardcover (Gr 1-4)\$18 Max Patkin was pitching in the minor leagues when he was injured and had to leave his dreams behind. He joined the Navy and eventually was able to play again while in the military . . . and this time he got to pitch against superstar Joe DiMaggio. When Joe hit one of Max's throws out of the park, Max threw down his glove, left the mound, and chased Joe around the bases, making faces and imitating his every move. The crowd loved it! And a baseball clown was born.

Brothers at Bat: The True Story of an Amazing All-Brother Baseball Team Hardcover (K-3)\$19 The Acerra family had sixteen children, including twelve ball-playing boys. It was the 1930s, and many families had lots of kids. But only one had enough to field a baseball team . . . with three on the bench! They loved the game, but more importantly, they cared for and supported each other and stayed together as a team. Nothing life threw their way—not even a World War—could stop them.

All Star: How Larry Doby Smashed the Color Barrier in Baseball Hardcover (K-3)\$19 In 1947, Larry Doby signed with the Cleveland Indians, becoming the first Black player in the American leagues. He endured terrible racism, both from fans and his fellow teammates. Despite this, he became a unifying force on and off the field, and went on to become a seven-time All Star. Illustrated with Cannaday Chapman's bold, stylized illustrations, this exceptional biography tells the story of an unsung hero who not only opened doors for those behind him, but set amazing records during his Hall of Fame career.

FRIENDS OF TRAVELL

January 2023

Dear Travell Families,

The Travell Home & School Association (HSA), with generous financial contributions from Travell families, supports the school curriculum and further enhances student experience, by coordinating, securing, and presenting enrichment programs and special activities to benefit our children. In hopes of providing accessible ways for making donations by ALL families, the HSA organizes fundraising opportunities throughout the year. Our primary fundraisers for enrichment programs are the Travell Auction and "Friends of Travell". These two major fundraisers alternate, with this school year (2022-2023) being a Friends of Travell year. "Friends of" fundraisers are also held at most of the other Ridgewood schools.

We hope to achieve this goal by May 2023.** Additional revenue comes from smaller fundraising initiatives, such as grocery store cards, bake sales, Book Fair, No Cook Nights, among others.

The average cost for enrichment is \$150 per student. However, any donation amount is greatly appreciated and tax deductible.

Every dollar makes an impact and helps enrich the experience of our children throughout the school year. On behalf of the entire Home & School Association, we thank you in advance for your consideration and support.

Gratefully,
