

Summer To-Do List

Reading

- Summer Log: When you finish a book, write it on your log.

*Read as many books on your level as you can!

Math

- Finish your Addition and Subtraction account on Reflex (100%). Students will be expected to know their addition and subtraction facts with speed and accuracy in September.

*If you are already on multiplication and division, practice Reflex Math as much as you can.

HAVE FUN! See you in September!

-The Third Grade Teachers
