Mr. Schwarz

ii. **Approval: Student Price List with Pomptonian Food Service for the 2023-2024 School Year**

The Ridgewood Board of Education, upon the recommendation of the Superintendent of Schools, approves the student price list as per **revised Attachment J** for the 2023-2024 school year.

RECOMMENDED PRICES

Pomptonian works closely with the district to develop a pricing structure that balances the district's need to run an economically efficient cafeteria with the desire to offer an exceptional value to the student body. Pomptonian makes certain that the pricing strategy is in conformance with State requirements. We also carefully examine the prices for a la carte items (those that are not part of the reimbursable meal) to ensure that these prices are in line with what students are paying off campus.

The Board of Education has final authority over the products offered in the cafeterias, as well as the pricing of these items. Pomptonian can help to assess the financial impact of any proposed changes that the district may consider.
