For the purposes of this Policy, "electronic smoking device" means an electronic device that can be used to deliver nicotine or other substances to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, cigarillo, pipe, or any cartridge or other component of the device or related product pursuant to N.J.S.A. 2A:170-51.4.

For the purposes of this Policy, "school buildings" and "school grounds" means and includes land, portions of land, structures, buildings, and vehicles owned, operated or used for the provision of academic or extracurricular programs sponsored by the district or community provider and structures that support these buildings, such as school wastewater treatment facilities, generating facilities, and any other central facilities including, but not limited to kitchens and maintenance shops. N.J.S.A. 2A:170-51.4 prohibits the sale or distribution to any person under twenty-one years old of any cigarettes made of tobacco or any other matter or substance which can be smoked, or any cigarette paper or tobacco in any form, including smokeless tobacco; and any electronic device that can be used to deliver nicotine or other substances to the person inhaling from the device, including, but not limited to, an electronic cigarette, cigar, cigarillo, pipe, or any cartridge or other component of the device or related product. Consequences for a student possessing such an item will be in accordance with the Student Code of Conduct.

The Board prohibits smoking by students at any time in school buildings or on any school grounds, at school-sponsored events away from school, or on a school bus.

The Board also prohibits the possession of any item listed in N.J.S.A. 2A:170-51.4 at any time in school buildings or on school grounds, at school-sponsored events away from school, or on a school bus. Such items will be confiscated and may be returned to the parent, upon request.

Prohibited Items and Controlled Dangerous Substances

If it appears to an educational staff member or other professional, upon confiscating such item(s), that the student may currently be under the influence of alcohol or other drugs, the staff member shall inform the Principal or designee. In the event the Principal or designee, after inspection of the confiscated item(s), has reason to believe the item(s) may have contained or may contain a controlled dangerous substance or a controlled dangerous analog pursuant to N.J.S.A. 2C:35-2, the Principal or designee will immediately notify the parent and the Superintendent or designee. The Principal or designee will arrange for an immediate medical examination of the student and shall comply with all of the provisions of N.J.A.C. 6A:16-4.3 and Policy and Regulation 5530 – Substance Abuse. Principals and designees will be trained to identify controlled dangerous substances in electronic smoking devices.

A sign indicating smoking is prohibited in school buildings and on school grounds will be posted at each public entrance of a school building in accordance with law. The sign shall also indicate violators are subject to a fine.

A student who violates the provisions of this Policy shall be subject to appropriate disciplinary measures in accordance with the district's Student Discipline/Code of Conduct and may be subject to fines in accordance with law. These programs may include, but are not limited to, counseling, smoking information programs, and/or smoking cessation programs sponsored by this school district or available through approved outside agencies.
