

# Counting everyone in your household can shape your future.

Every 10 years, the United States counts everyone living in the country on April 1, regardless of their nationality or living situation. This includes renters.

To ensure an accurate count, remember to:

Count every person living or staying in your home.

Respond at the address where you were living or staying on April 1, 2020.

## What's in it for me?

The 2020 Census is an opportunity to create a better future for our communities and the next generation by providing an up-to-date count of our population. The data collected will help determine how over \$675 billion in federal funding is distributed each year for things like housing assistance, infrastructure, and public transportation.

## What else do I need to know?

Responding to the 2020 Census is:

### > Easy

Every household in the United States will receive a notice to complete the census in early 2020. You can complete the form online, by phone, or by mail.

### > Safe

Your personal information is confidential, is protected by law, and can never be used to identify you. It can never be shared with law enforcement agencies or your property manager.

### > Important

Businesses and leaders in your community will use the data collected in the census to make decisions about where to build new buildings, revitalize old ones, open stores, create jobs, and more.

## Is the Census Bureau hiring?

Yes! Earn extra income while helping ensure that everyone in your community is counted. The U.S. Census Bureau has a variety of temporary jobs that need to be filled, including census takers, recruiting assistants, office staff, and supervisory staff. You must be at least 18 years old, have a valid Social Security number, and be a United States citizen to be eligible.
