

As a convenience to parents, Ridgewood Public Schools provides an easy way to make online payments for Fees and Food Service through **Skyward Family Access**. Payments can be made from any computer 24/7 using a Discover, VISA or MasterCard debit, credit card or echeck. We have contracted with **RevTrak**, a national credit card payment processor, to provide a secure site for making payments. Payment may also be made by check made payable to Ridgewood Board of Education and submitted to your child's school.

Middle and High School Food Service Account Authorization and Payments

At the start of every school year, you can authorize your child to have a Food Service Account, but must agree to keep a positive balance. You can review balances and deposit funds into your child's account through Skyward Family Access.

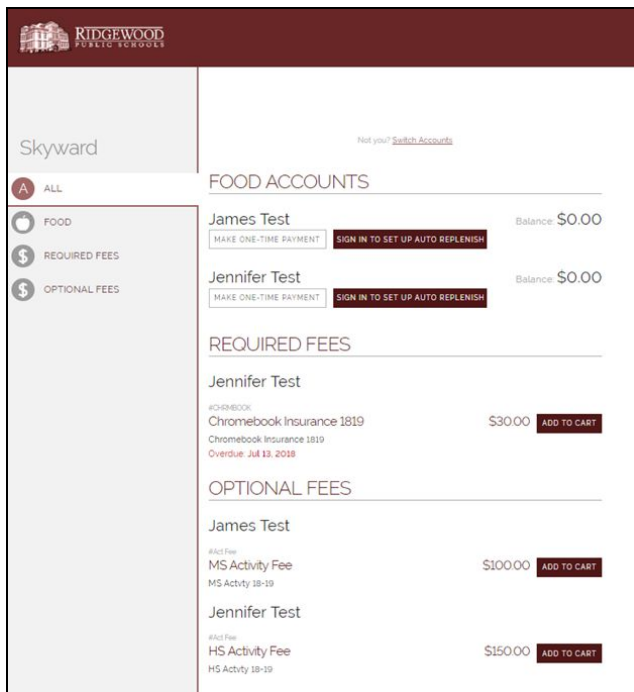

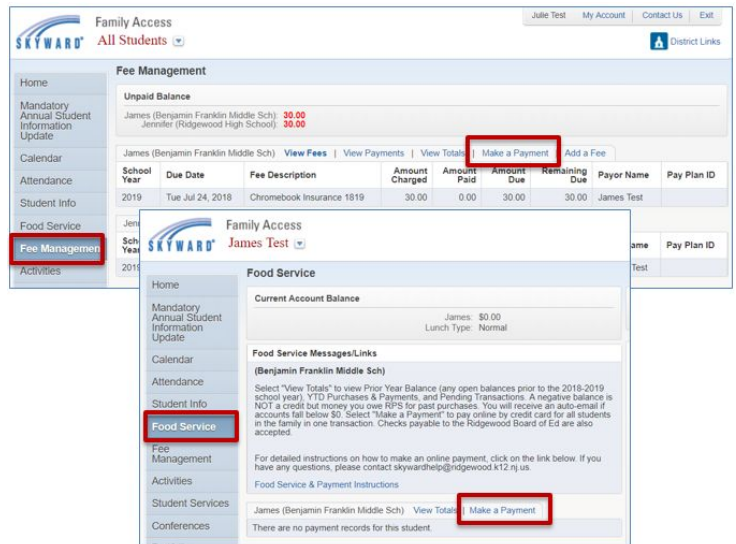

Middle and High School Activity Fees

If your child participates in at least one activity during the year, you are required to pay this fee. Fees are capped at \$100 for Middle Schools students and \$150 for High School students, so if your child participates in 1 or more activities you will only pay one fee for the year.
