**30FT EGG DROP  
CHALLENGE**

**11AM, 12PM & 1PM**

**LIVE ROCKET LAUNCH  
1:30PM**

## TWO WAYS TO GET INVOLVED:

### Be A Presenter

Students (K-12) and adults of all ages are invited to come and present on **ANYTHING** involving the world of science. We'll supply the table and area to present.

With more than 50 presenters and 1,000+ visitors, you'll find tons of people with whom to share your love of science.

### Bring The Family

Super Science Saturday is designed for families to spend the day learning together.

With dozens of interactive exhibits, we're sure there's something interesting for everyone in your family.

Come be a part of all the fun!

Project sign-ups accepted at  
**SuperScienceSaturday.org** or by  
calling Sheila at **(201) 652-7354**

Find hundreds of cool science projects on our website or use an existing project. Set up your project and present it and look around. We'll watch the project for you!

Contact Jessica Wright
