SUBJECT: **Ridgewood Major Soil Permit – Proposed Trucking Route**
DATE: **March 4, 2020**

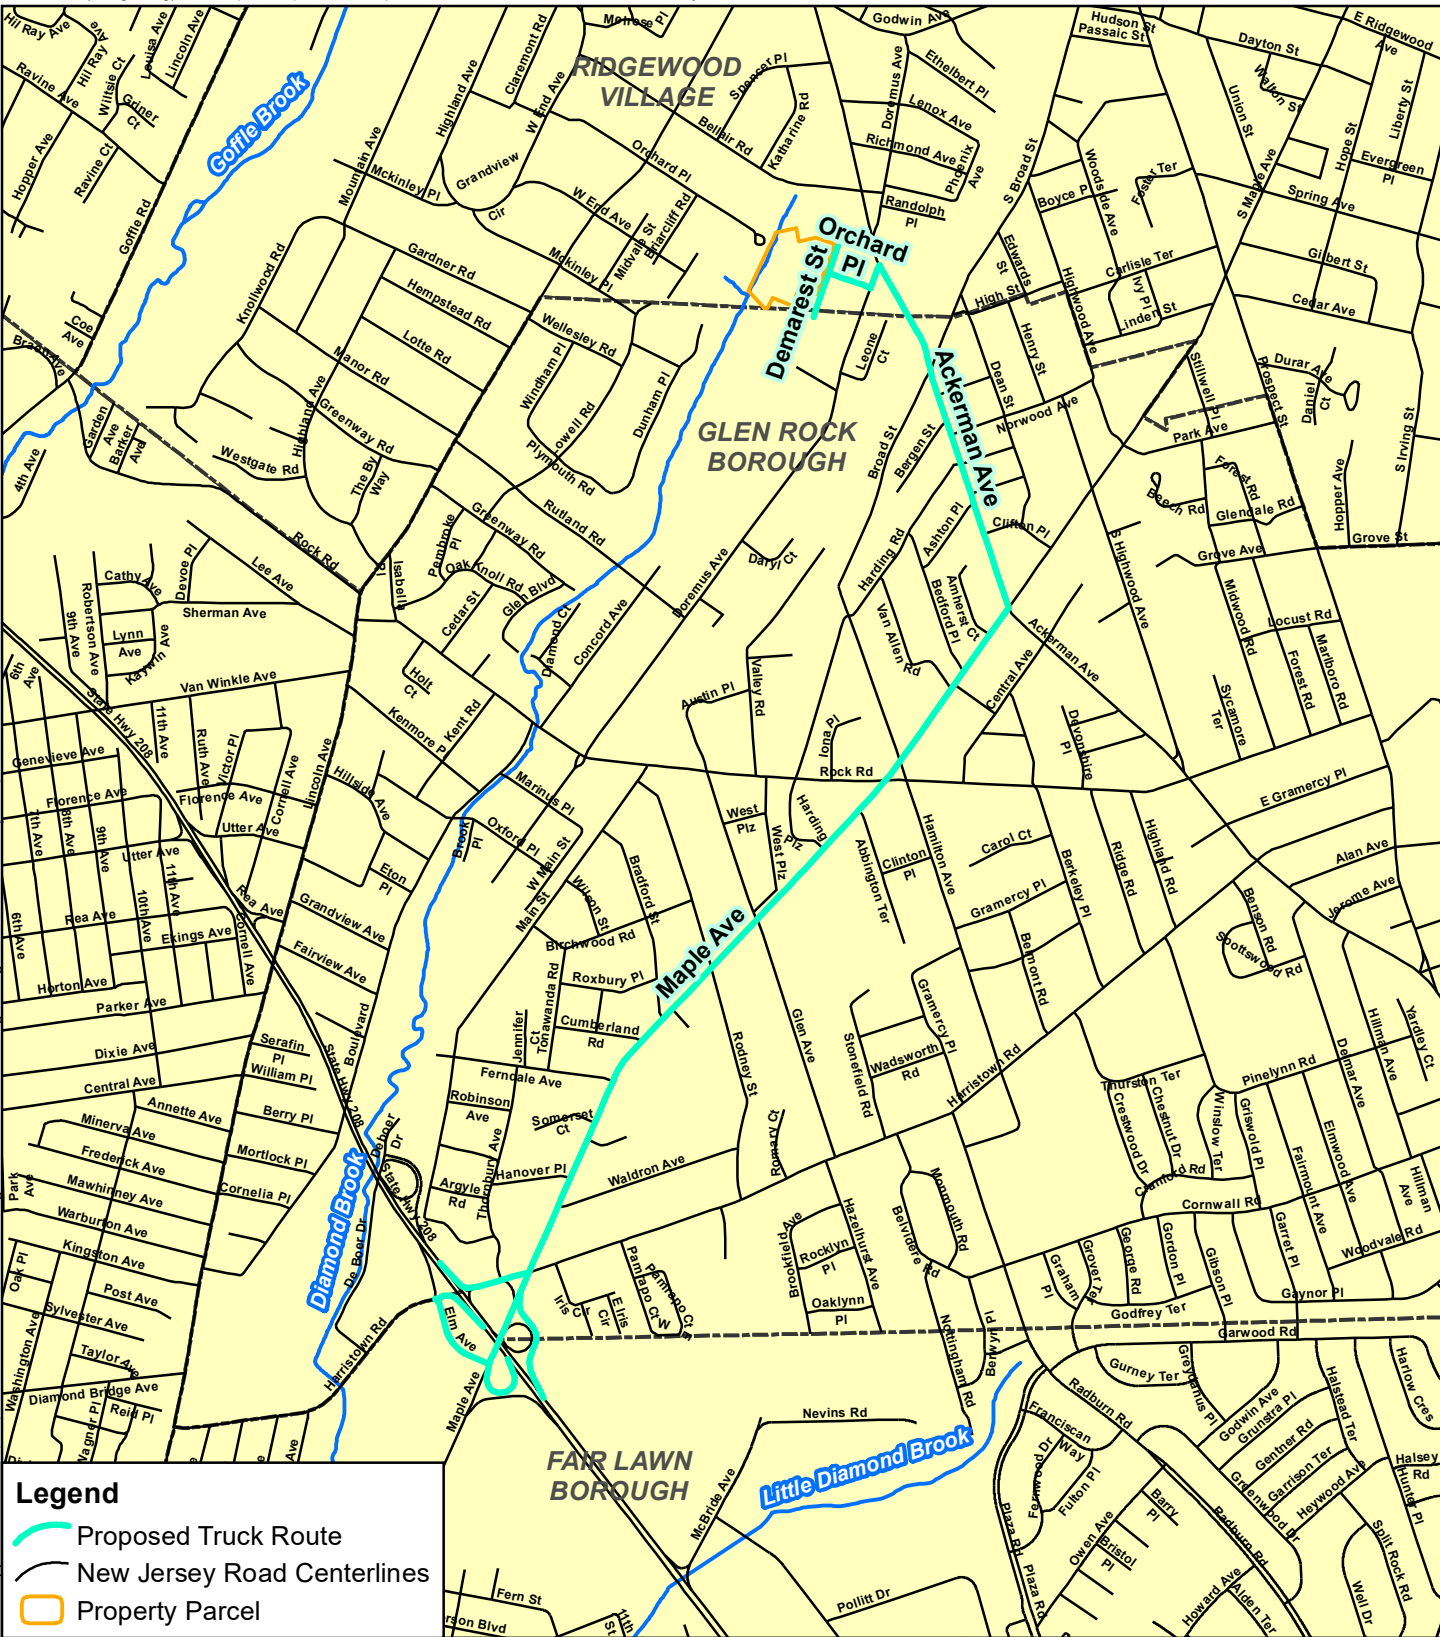

Pursuant to your request, the following summarizes the proposed route that incoming and outgoing trucks will follow associated with the soil remediation project at the Orchard School site:

- Trucks will leave the school at 230 Demarest Street to Orchard Place,
- Turn left onto Doremus Avenue,
- Turn right onto Ackerman Avenue,
- Turn right onto Maple Avenue to Route 208.

The trucks will return following the above path in reverse. Attached is a map showing the route relative to the site and the Village of Ridgewood.

If you require any additional information pertaining to the work at the site, feel free to contact me at my office – (201) 957-1272.
