

R 5200 ATTENDANCE

A. Definitions

1. For the purposes of school attendance, a “day in session” shall be a day on which the school is open and students are under the guidance and direction of a teacher or teachers engaged in the teaching process. Days on which school is closed for such reasons as holidays, teachers’ institutes, and inclement weather shall not be considered as days in session.
2. A “school day” shall consist of not less than four hours, except that one continuous session of two and one-half hours may be considered a full day of Kindergarten.
3. “A day of attendance” shall be one in which the student is present for a full day under the guidance and direction of a teacher while school is in session.
 - a. Whenever over-crowded conditions make it necessary to hold two separate sessions with a different group of students in each session, a student attending for all of either session shall be regarded as having attended for the full day. An excused absence for any reason shall not be counted as a day of attendance in the school register.
4. A “half-day class” shall be considered the equivalent of a full day’s attendance only if in session for four hours or more, exclusive of recess periods or lunch periods.

B. Attendance Recording

1. A record of the attendance of all students on roll in a school register shall be kept each day that school is in session by a teacher or other authorized person. It shall be the duty of this person to keep the attendance records according to these rules and the specific instructions issued by the Commissioner of Education.
2. No student shall be recorded as present unless the school is in session and the student so recorded is under the guidance and direction of a teacher in the teaching process.
3. A student shall be recorded as absent in the school register when not in attendance at a session of the school while a member of the school, except students excused due to religious holidays who shall be recorded as excused.

4. A student shall be recorded as either present, absent, or excused for religious observance, every day the school is in session after the student enters until the date the student is transferred to another school, transferred to an individual home instruction record, or officially leaves the school system.
5. The Commissioner shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis.
6. The mere presence of a student at roll call shall not be regarded as sufficient attendance for compliance with N.J.A.C. 6A:32-8.3. In a school which is in session during both the forenoon and the afternoon, a student shall be present at least one hour during both the forenoon and the afternoon in order to be recorded as present for the full day. In a school which is in session during either the forenoon or the afternoon, a student shall be present at least two hours in the session in order to be recorded as present for the full day.
7. A student not present in school because of his/her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

C. Unexcused Absences That Count Toward Truancy/Excused Absences

2. “An excused absence” is a student’s absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16, or any absence for the reasons listed below:
 - The student’s illness supported by notification to the school by the student’s parent;
 - The student’s required attendance in court;
 - Where appropriate, when consistent with Individualized Education Programs, the Individuals with Disabilities Act, accommodation plans under 29 U.S.C. §§ 794 and 705(20), and individualized health care plans;

- The student's suspension from school;
 - Family illness or death supported by notification to the school by the student's parent;
 - Visits to post-secondary educational institutions;
 - Interviews with a prospective employer or with an admissions officer of an institution of higher education;
 - Examination for a driver's license;
 - Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day; supported by written notification by the doctor's office;
 - Take Our Children to Work Day;
 - An absence considered excused by a New Jersey Department of Education rule;
 - An absence for a reason not listed above, but deemed excused by the Principal upon a written request by the student's parent stating the reason for the absence and requesting permission for the absence to be an excused absence.
3. "Truancy" means ten or more cumulative unexcused absences that count toward truancy of a student between the ages of six and sixteen as determined by the Board's Attendance Policy and Regulation pursuant to N.J.A.C. 6A:16-7.6(a)4.iii. and the definition of school day pursuant to N.J.A.C. 6A:32-8.3. Any absence not listed in C.2. above shall be an unexcused absence counted toward truancy.
- D. Notice to School of a Student's Absence
1. The parent or adult student is requested to notify the school office before the start of the student's school day.
 2. The parent of the student or an adult student who will attend the morning session, but will not attend the afternoon session should call or provide notice to the school office before the start of the afternoon session.
 3. The parent or adult student who anticipates a future absence or anticipates that an absence will be prolonged should notify the school office to arrange make-up work.

E. Readmission to School After an Absence

1. A student returning from an absence of any length must present to the attendance officer in the form of a phone call, email, written note or verbal confirmation by the parent(s) or adult student, of the reasons for the absence.
2. A note explaining a student's absence for noncommunicable illness for a period of more than five days school days must be accompanied by a physician's statement of the student's illness.

4. In general, students will be allowed a day for each day they are out to make up missed work.
5. A student who missed a test or an exam shall be offered an opportunity to take the test, exam, or an appropriate alternate test.

G. Denial of Course Credit

1. The teacher will determine the credit to be awarded a student for make-up work. Where class participation is a factor in the learning process, the teacher may consider a student's absence in determining a final grade, except absences for the observance of a religious holiday or absence for a student's suspension from school will not adversely affect the student's grade. The teacher may record an incomplete grade for a student who has not had a full opportunity to make up missed work.
2. A Ridgewood High School student may be dropped from the course and denied course credit when he/she has been absent thirteen times from a full year course; seven times from a semester course; or two times from a quarterly course, whatever the reason for the absence, except that absences for the observance of religious holidays and absences caused by a pupil's suspension will not count toward the total.

Grade Advisors will have the right to waive loss of credit penalties where absences are clearly legitimate. In such cases, the student need not appear before the Attendance Committee. Waivers will generally not be given by the Grade Advisor where a pattern of absence is noted in a particular class, or where there is the appearance of abuse of the Attendance Policy.

3. An elementary student may be retained at grade level, in accordance with Policy No. 5410, when he/she has been absent twenty or more school days, whatever the reason for the absence, except that absences for the observance of religious holidays and during a student's suspension will not count toward the total. Exceptions to this rule may be made for pupils whose absences are excused and who have demonstrated through completion of home assignments and/or home instruction that they have mastered the proficiencies established for the assigned courses of study.
